

"The final goal of world-revolution is not Socialism or even Communism, it is not a change in the present economic system, it is not the destruction of civilization in a material sense. The Revolution desired by the leaders is a moral and spiritual revolution, an anarchy of ideas by which all standards set up throughout nineteen centuries shall be reversed, all honoured traditions trampled under foot, and above all the Christian ideal finally obliterated." — Nesta H. Webster.

TO CHRIST AND THE U.S.A.

ONE WORLD IS TREASON

During the past, we have received many requests from our readers to give an explanation of what, exactly, is the *British-Israel Movement*. However, up to this time, we were unable to provide any information on this subject. Now, however, we do so with the help of the late *Helen M. Peters*, whose article on this subject is herein presented. Because of the length of this article, we have broken it down into two parts. The following is the *first* in this series of two parts and we hope that it will help our readers to understand the significance of this sinister movement and the danger to Christianity embedded in the British-Israel philosophy of "Christ's Kingdom on Earth." — The Editor.

"To the average American, the idea of destroying our country and property is not in his thinking, yet we are being prepared for this very thing through a fake Christianity which has literally corrupted the American people, so that they can be robbed of their faith and their country.

"Never will the people believe that the source of their deception is their churches, and brave is the man that tries to tell them. Betrayal is wrapped in the thing that people trust most — their teachers, preachers and churches, and they compromise their faith with apathy. While they are indifferent to Gospel TRUTH, they are indoctrinated with another gospel — that of Phariseism, a ONE WORLD Government, Kingdom of God on Earth, Millennial Reign of Christ." (The Union Jack).

This is the same old religion of Phariseism with which Christ, the Apostles and early Christians had to deal, as well as the Reformers; and now in our generation we face it again, but Christians in general have not been able to discern this fact, because Phariseism is hidden in the cloak of Christianity, appearing as an angel of light.

Because their whole scheme is based on **distorted and misused Scripture**, the only weapon that can change the direction of our destruction in the least way is God's TRUE WORD from the lips of those who love the Lord and America. And because one cannot fight an enemy without some knowledge of how he operates, I am bold to prepare this paper showing a few of the tactics of the enemy. If you are not able to accept this line of thought at this time, it will not change the advances of the enemy one bit, and when it is too late to turn the tide, you will then understand what is here being said.

The Pharisees are working behind many fronts under many names, which is confusing even to those who have studied the subject. But this is part of their tactics — Phariseism is a cancer controlling the mind through confusion. It is my desire therefore to make this as simple as possible in order that some may grasp it without becoming confused. It is so big and so evil that only the devil can handle it, while the world appears to be moving along in a normal way.

HELEN M. PETERS, the indefatigable and courageous patriot, is no longer with us. She passed away last April 7th. With her death, our Cause has lost a valiant champion. Although Helen did not always agree with us on all issues, we here at Union will miss her, as will the many thousands of her friends and supporters. In tribute to her, we dedicate this edition of COMMON SENSE.

First of all, let it be understood that as a whole the preachers and teachers of the kingdom message are totally unaware that they are victims of a plot that will spell their ruin if they do not find out about it and expose it. Needless to say, the plot could never have succeeded to this point had it not been invisible to its servants and the masses.

The Scofield Bible is one of the main sources for spreading the kingdom message of Phariseism, but they call it Dispensationalism, Fundamentalism and Millennialism. To understand the deception by way of Scofield, let us look at his two basic errors as presented by the Rev. Paul E. Sisco in his SCOFIELD OR THE SCRIPTURES, and then a few examples in addition:

Scofield's **first** basic error is: That the Abrahamic Covenant was UNCONDITIONAL — wholly gracious and unconditional; that it has not yet been fulfilled to the Jews, and is therefore still future. But God says the covenant was **conditional**:

"And God said unto Abraham, *Thou shalt keep my covenant therefore, thou and thy seed after thee, in their generations. And the uncircumcised man child whose flesh of his foreskin is not circumcised, that soul shall be cut off from his people; he hath broken my covenant.*" Gen. 17:9,14.

"For I know him that he will command his children and his household after him, and they shall keep the way of the Lord, to do justice and judgment: *that the Lord may bring upon Abraham that which he hath spoken of him.*" Ge. 18:19.

The covenant was confirmed to Isaac because of Abraham's Obedience:

"And I will make thy seed to multiply as the stars of heaven, and I will give

unto thy seed all these countries; and in thy seed shall all the nations of the earth be blessed; *Because that Abraham obeyed my voice and kept my charge, my commandments, my statutes and my laws.*" Gen. 26:4,5.

God's warning to Israel that the covenant was conditional:

"If they shall confess their iniquity, and the iniquity of their fathers. . . if then their uncircumcised hearts be humbled... *Then will I remember my covenant with Jacob, and also my covenant with Isaac, and also my covenant with Abraham will I remember; and I will remember the land.*" Lev. 26:40, 42.

"Wherefore it shall come to pass, if he will hearken to these judgements, and keep, and do them, that the Lord thy God shall keep unto thee the covenant and the mercy which he swore unto thy fathers." Deut. 7:12.

These verses of Scripture are positive proof that God's covenant with Abraham and his seed was not wholly gracious nor unconditional as Scofield says over and over. It was definitely **conditional**. --

The **second** basic error: Scofield says the land promise (Gen. 12:7; 13:15; 15:18 ff) has not been fulfilled to the Jews, nor has their posterity ever been as the "stars of heaven" in number. But God's pure Word, the Sword of the Lord, says that both have been fulfilled:

"And the Lord gave unto Israel *all the land which he swore to give unto their fathers; and they possessed it, and dwelt therein.* There failed not ought of any good thing which the Lord had spoken unto the house of Israel, **ALL CAME TO PASS.**" Joshua 21:43,45.

"The Lord your God hath multiplied you, and behold, *ye are this day as the stars of heaven for multitude.*" "Their children also multipliedest thou as the stars of heaven, and broughtest them into the land . . ." Neh. 9:23.

These two glaring contradictions to God's true word are Scofield's bricks and mortar for the fanatical foundation of his dispensational scheme, which is a resurrection and repetition of the worldly hopes of the Pharisees, who were guilty of slaying the Lamb of God.

Upon this foundation, Scofield adds error upon error as he travels on through the Psalms and prophets, the Gospel accounts, the Acts, the Epistles, until it reaches its climax in Revelation twenty. Then it begins again with Revelation twenty and returns back through the Bible ending with the Abrahamic covenant in Genesis twelve. (End Sisco).

Scofield says that the Seventieth Week of Daniel 9:24-27, has been postponed and is still yet in the future, to be fulfilled in a Jewish earthly kingdom of God. But Scripture does not tell us that the Seventieth Week of Daniel has been postponed. If it were postponed, then we would still be
